

BEEM - Android XMPP - Bug #231

Crash when opening a received message in notification bar (milestone android 2)

01/07/2010 04:47 PM - Romain Vimont

Status:	Closed	Start date:	01/07/2010
Priority:	High	Due date:	
Assignee:	Frédéric Barthéléry	% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:		Locale:	
Affected version:	hg		
Description			
I was connected to Beem on background, I received a message, it added an item in the notification bar, when I clicked for reading the message, beam crashed...
