

BEEM - Android XMPP - Bug #274

"XMPPP" should be "XMPP" on welcome screen (first run)

06/29/2010 05:30 PM - Fabian Rodriguez

Status:	Closed	Start date:	06/29/2010
Priority:	Normal	Due date:	
Assignee:		% Done:	100%
Category:	User Interface	Estimated time:	0.00 hour
Target version:	0.1.5	Locale:	
Affected version:	0.2		
Description			
When first running Beem it says "You have not configured an XMPPP...". That should be XMPP.			
I have guessed the version as there is no "About" section under "Settings".
