

BEEM - Android XMPP - Bug #354

History disappears - disconnects, exits, or closes conversation window

04/24/2011 03:02 PM - Anonymous

Status: New	Start date: 04/24/2011

Target version:	Locale:
Affected version: hg	
Description History conversation window just clears when disconnects, exits, or closes conversation window. When going back to a conversation window after this happens its just a blank new conversation window. Please allow history to be shown.
